

Lancashire Short Breaks Service are pleased to announce the list of Break Time providers.

Eligible children and young people will receive a unique identifier number and will be able to choose from a range of activities from a list of framework providers to a maximum of 78 hours per year.

Children and young people can use their 78 hours with one provider or split them between two providers. The hours can be used over the year between 1 April 2022 to 31 March 2023.

You will need to make arrangements directly with each provider to book your child or young person onto activities and groups. Details can be found on the Local Offer.

The Break Time providers from 1st April 2022 are:
